

# Guud.co Creator Offering

Time To Be Guud!

Starting **March 1st, 2024**

# What is Guud?

 Guud is a Faith-Based Social Network that helps members **leave big tech** and free their families from the grip of the Great Reset sponsored companies.

## What are our goals?

1. **Gathering place for pro-faith people who want to spread more guud**
2. **Offer a pro-liberty alternative to FB, IG, TT, YT, Amazon, & Twitch**
3. **Offer the social tools that provide connectedness & safety for everyone**
4. **Enable families to become independent and free from corrupt systems**
5. **Be the social, economic, and educational backbone of the resistance**
6. **Enable families to homeschool and reject the current status quo**

# What does Guud offer?

 Like many social networks, you can share photos, videos, and statuses with friends and family. We also offer private groups with a discord-like chat, courses anyone can create (free & paid), topics with debates, & public pages for creators.

 Every page has a store to sell products, events, long & short video, audio, live video streaming, can create quests, and can offer paid courses.

## Guud Quests

Creators can interact with their followers by asking them to complete quests. It could be as simple as answering questions, posting a video response, or even clicking on links. Followers earn points with creators, which can earn them rewards with your page. It's the best way to build your community and have them spread more Guudness.

## Self-reliant Economy

Guud offers free invite-only accounts, but has tiered paid accounts that allow for more money making opportunities. We have our own currency called Fruit (not crypto), and every component is built to give 40%+ of our revenue (not profit!) back to paying members.

# The Guud Launch Offer

 We know that joining yet another new social network can be risky, so we are offering an AMAZING reward for the **first 100 creators** on Guud. It's a goldrush!

## Free Content Management

We will add your content to Guud, so you don't have to mess around with learning a new social media website, for the first 30 days! Buy a membership account, and you will earn a split of 10% of our revenue! PLUS we are offering a contest for 2024, where 10 or less people will earn an additional 10% of our revenue (revenue, not profit!)

## Referral Points

Every creator is given unlimited referrals for our invite-only launch and receive 100 points for every new member referred, & that's even for free accounts! If referrals upgrade to paid you get double points. If your referral refers someone else, you get 75 points, and if that "someone else" invites & refers another someone else, you get 50 points, and so on, down 15 levels.
